### Your audience will leave:

- with a clear purpose and direction
- with a written list of one's lifetime goals and dreams
- excited about driving their lives forward
- feeling happier and ready to take on any challenge with greater productivity
- with an easy way to get back on track when life throws them one of those inevitable curve balls
- entertained and inspired

### What people are saying:

- *"I get so caught up with day-to-day living that I don't even think about my life dreams. Sara got me re-focused and re-energized. Life's too short not to work toward what really matters to me."*
- *"I had an employee that was suddenly more productive with a much more confident attitude. I asked what changed and he said he heard Sara speak and went through her process. Thanks Sara. It's great to see him back on track."*
- *"I was in a place where I was so confused and stressed out that I didn't know what to do next. Sara's talk inspired me to focus on the right things and her process for change put me into action. I'm so much happier."*

Sara's talk is based on her book:

### ***What If? What Else? What Now?***

*An Interactive Guide to Reinvention and Living Forward*
